

Keep Your Patients and Staff Safe

ActivePure Technology

vollara™

Protect your employees, customers, and your business TODAY!

Air & Surface Pro

- **Neutralizes SARS CoV-2 virus (the virus that causes COVID-19) and all RNA/DNA viruses**
- **Reduces Airborne contaminants and allergens**
- **Removes odors in stale environments**
- **Reduces particles such as dirt & dust from the air**
- **Reduce sick days**

Vollara's ActivePure product line is based on technology originally developed for the space program for use during space travel. Now you can take a proactive approach to protect your patients, employees, staff and Practice with the Air & Surface Pro with ActivePure.

We are excited to share the testing results of the Vollara Air & Surface Pro with ActivePure Technology in reducing airborne SARS-CoV-2 virus which causes COVID-19. In independent certified labs, the Air & Surface Pro drove a 99.9% reduction in viral particles within 3 minutes. Pathogens on surfaces we eliminated within hours!

Keeping your staff safe and healthy is critical to running your practice. ActivePure will neutralize the spread of ALL viruses, bacteria, and mold in your business reducing sick days!

It is a smart safe solution wherever it is used. Breathe the cleanest and safest indoor air possible. Our Astronauts do! NO INSTALLATION, JUST PLUG IT IN!
